Dimenjada occitana 03/23

A colorful illustration of a large tree with brown branches and green leaves. A banner at the top reads 'TIQUETANTOLHA'. Various musical instruments are integrated into the tree's structure: a guitar on the left, an accordion on the right, a mandolin in the center, and a tambourine on the right. A drum is also visible near the base of the tree. The background shows a landscape with green hills and a red field.
